## OFFICER NOMINATIONS DUE

Our officer elections are held at the September business meeting, so it's time for our members to be thinking of devoting some time to serving as an officer or director for the next couple of years. Several of the current officers have been serving for over 3 years and may feel that it's time to let someone else shoulder the responsibility. We have 2 vacancies on the current board as both Wes Boullion and Jon Masood are moving out of town to be with their wives. Actually, Jackie has been transferred by IBM to Dallas but Jon is working in Columbus, Ohio, so where they wind up is anyone's guess. Susan is entering her third year of med school and has been assigned to the Amarillo campus of TTU. If anyone knows of a need for an accountant in Amarillo, give Wes a call!

Josie Alenan has been asked to chair the nominating committee along with P.J. Mitchell and Debbie Valles. If you would be willing to get a little more involved in this great club of ours, please give Josie a call at 793-6441 (N) or 743-2426 (D)

Race director, Bill Roger, Sr. involved his entire family in producing this version of the "LOPE". Assisting were Mandy and Ed Robinson, Bill Roger, Jr. and Dana, Teresa Roger and wife Sally. Also helping out from the membership were Larry and Carrie Byrd, Ron Key, Shirley Wigley, Carlos Vigil, Ken McEachern, Joe Martinez and Ron Seal.

It was great to see Ken McEachern, Robert Guajardo, Marjory Stewart and Jim Leser back from inactivity or nagging injuries. Also, we welcome back John Stalcup. Newer members running their first club race were Darrell Jarnagin of Smyer, Amy Morris of Crosbyton, Molly Deischl of Lubbock, and Kevin Learned of Lubbock. Making their 2nd or 3rd race were Richard Fischenich, Rodger Mitchell, Richard Bray, Cara Jensen, David Higgins and Collette Shannon and Cecilio Santana of Lovington.

Many put out tremendous efforts at this race, but especially notable was Eva Martinez's sub 1 hour 10K after getting under an hour for last months 6 miler. She has moved up rapidly from the shorter distances. Also continuing to improve her long distance times is P.J. Mitchell. The editor failed to note that P.J. set a new age group record for the 11 miles last month. She bested Barbara Vitalec's Women's 40 plus record by 3 minutes and 40 seconds. My apologies for the oversight, P.J.

**WEST TEXAS RUNNING CLUB**

**NEWS and NOTES**

**23rd Annual FIRECRACKER RACES**

Race Director, Marjory Stewart has procured the aid of ARROWHEAD MILLS in sponsoring this years event and is working with the Brownfield C of C to make this a memorable running event. We have had the aid and support of several of the Brownfield citizens in the past and they have expressed a desire to continue. They are really looking forward a couple of years to the 25th anniversary. ARROWHEAD MILLS is providing us with special refreshments and hopefully that will include fresh cooked pancakes with butter and syrup!

This is a precisely measured course and the two distances, with equal award incentives provide the serious runner with a choice, depending on how they feel that particular day. Remember that our club races are low entry fee events, but that we have expanded age grouping for awards (see page 11 for details). The nice "FIRECRACKER" medallions are a real prize.

**AT THE RACES**

We recently learned that Steve Wire who joined last fall, completed the AUSTIN MARATHON, March 15th in a fine time of 3:03:09 and finished 10th in his age group. Congratulations!

**RED RAIDER ROAD RACE**

We now have three major sponsors for this September 26, 1992 event, assuring it's success. Continue to make plans to run this one or to help Race Director, Bill Harn, put it on. Plans are to have both distances TAC certified for this year. If you can help Bill, give him a call at 794-6852. Remember that the proceeds of this race add to our own scholarship fund at TTU. Recipients of that \$500 scholarship must be nominated by a W.T.R.C. member. See page 9 for complete details about the scholarship.

**WEST TEXAS SENIOR SPORTS CLASSIC**

The W.T.R.C. has been asked to stage the 5K road race for this multi-event sports extravaganza for Senior adults. (over 55 years) This event occurs the week-end of August 19 through 22. The exact time of the race is not known, but if you would like to help, please call Carlos Vigil at 767-2665 or 762-1243

ROAD RUNNERS CLUB OF AMERICA

New Texas State Representative's Report

TO THE WEST TEXAS RUNNING CLUB MEMBERS:

The National Board of Directors and the President of the Road Runners Club of America accepted my nomination as Texas State representative.

The nomination and acceptance was a week before the National Convention and so on May 28-31, 1992, I attended the convention in Milwaukee, Wisconsin. The convention was an opportunity to learn more about what the RRCA can do and is doing for you, but also to learn more about such topics as club administration, how to avoid volunteer burn-out, learn more about our governing body, The Athletic Congress, and how we interact, women's and children's running, and much more, all from the experts in our organization. This was also a chance to "sound off" to our board. The convention also provided a variety of workshops and seminars, a picnic and fun run, the breakfast to honor the state reps, the 5th annual RRCA Action, the Annual Awards Banquet, and the RRCA's national Championship 8K Race. The Saturday morning agenda included the RRCA's Annual Business meeting in which we had the opportunity to vote for the 1992-93 officers and to express our views about the RRCA.

The convention should be an experience for everyone. I picked up a lot of useful information and met a lot of wonderful folks. The 1992-93 president is Carl Sniffen and his goals as President are:

- \* to restructure committees
- \* to increase participation in the RRCA
- \* to address the needs of the older population
- \* to address the needs of physically challenged athletes
- \* to find new Corporate sponsors
- \* to look at state representative duties
- \* to strengthen the financial base
- \* to increase RRCA visibility

As team members, we will support his goals and assist him in as much as we can. When we strengthen our appointed leaders, I believe it will strengthen our clubs also. Good Luck, Carl!

I will follow in Al Becken's (previous rep) footsteps and publish a newsletter to get the word out to all participating clubs and communicate state wide about what is going on with the RRCA. There is just so much to say and do. It's like my first marathon: I talked to anyone who would listen and sometimes even to those who didn't. So you'll hear more.

For now, I am at your service to help with the RRCA. I am your representative to convey information or grievances, but most importantly to assist us all to promote running with community education and programs. The potential is there for running clubs and the RRCA to become the greatest fitness organization in this country.

Please continue to support and promote the RRCA.

Your RRCA Texas State Representative,

Carlos D. Vigil

## OLYMPIC GLORY

by Bud Greenspan

A philosopher once wrote: "There are no great people: rather there are great challenges that ordinary people are forced to meet."

Through the decades since 1896, thousands of young men and women have entered the arena and attempted to pursue excellence at the Olympic Games.

They made this choice rather than sit timidly through their lifetimes as spectators - without ever knowing the joy and exultation of the competition whether it end in victory or defeat.

But there is more to the Olympic Games than those who stand on the victory podium, for the difference between victory and defeat in many cases is a fraction of an inch or the infinitesimal part of a second. And those who are not the fortunate ones to receive the medals of victory have the same dedication as the winners.

At 7:00 p.m. on the evening of October 20, 1968, a few thousand spectators remained in the Mexico City Olympic Stadium. It was cool and dark as the last of the marathon runners were carried off in exhaustion to the first aid stations in the bowels of the stadium.

More than one hour earlier Mamo Wolde of Ethiopia, as fresh as when he started the race, powerfully moved towards the finish line, the winner of the gruelling 26 mile 385 yard marathon. His teammate, the legendary Abebe Bikila, the winner of the previous Olympic marathons in Rome and Tokyo, had to retire from the race after 10 miles because of a broken bone in his foot.

As the remaining spectators prepared to leave, those sitting near the marathon gate were suddenly aroused by the sound of sirens and the gunning of motorcycle engines. Policemen were blowing whistles and the quiet of the evening was shattered by sounds usually reserved for some emergency.

A few moments went by as the confused spectators looked towards the marathon gate. Then entering the stadium gate came a lone figure wearing the uniform of Tanzania. His name was John Stephen Akhwari. He was the last man to finish the marathon.

His leg was bloodied and bandaged and he grimaced with each step. He had severely injured his knee in a fall. As his full figure stepped onto the track for all to see, he painfully hobbled around the 400 meter track.

The spectators who remained stood and began to applaud the courage of this man. It was as if they were receiving the winner. Now more than an hour after the champion had been crowned, John Stephen Akhwari was receiving the acclaim reserved for a champion.

He painfully finished the run and crossed the finish line. Then slowly he walked off the field without turning to the crowd that cheered him.

Afterwards, one newspaperman wrote, "Today we have seen a young African winner who symbolizes the finest in the human spirit...a performance that gives true dignity to sports...a performance that lifts sports out of the category of grown men playing at games...a performance that gives meaning to the word 'courage'...all Honor to John Stephen Akhwari of Tanzania."

Later Akhwari was asked why he did not quit since his task was so painful and he had no chance of winning a medal. "My country did not send me 7,000 miles to start the race", he said simply. "They sent me 7,000 miles to FINISH the race."
