*W.T.R.C. Races are usually held the Second
 Saturday of each Month*

W.T.R.C. Official meetings are held monthly on
 the 2nd Tuesday, 7:00 P.M. at 3208 67th, Lubbock
 These meetings are open and any member is
 invited to attend at any time

E D I T O R I A L

Race attendance is up markedly this year compared to 1991. At this
 time last year 327 had finished the prescribed distance, while this year
 411 have competed in the 5 races. The next 2 races are out of town, and
 while we usually have plenty of runners, it is a little harder to get the
 volunteer support. To help with the June 13th LEVELLAND LOPE, call Bill
 Roger at 894-7911.

July 4th this year falls on a Saturday, so there won't be a nice long
 holiday for travelling, so make plans to participate in the 23rd Annual
 FIRECRACKER RUNS in Brownfield (only 38 miles away). Race Director, Marjory
 Stewart has some nice plans to make this a memorable running event. Spouses
 and runners' friends can help fill the worker duties, too, so give Marjory
 a call at 792-1085 to volunteer. Club members, remember when evaluating the
 quality of a race, keep the following in mind about W.T.R.C. races. Low
 entry fees; an accurate course; sufficient water stops and aid; many age
 group divisions and nice awards for the top finishers. The fancy medallion
 awards used the last few years are "keepers"! Let's have a record
 attendance at Brownfield this July 4th!

The 20th annual Horseshoe Bend Run is behind us now. If you measure the
 success of a run by the record 108 finishers and the large number of
 volunteers and the fun had by all, then this one was a big hit! Horseshoe
 Bend Canyon is of course a hidden natural treasure and with the profusion
 of wildflowers in bloom, it was spectacular. The weather was ideal even
 though there was a little breeze in the face on the last 4 miles. The
 course is not only scenic but challenging, especially the little hill climb
 out of the canyon and the shady grove on the home stretch.

NEWS AND NOTES

HORSESHOE BEND COMMENTS (Continued)

Everything seemed to go as planned and it couldn't have worked without the help of the following:

WTRC Members--Jeffrey Jury, George Jury, Ron Key, Sandi Howard, Hugh Haynes, Robert Bernero, David Skelton, Lawrence Nelson, Bernice Nelson, Joe Martinez, Mickey Davis, Kay Fellows, Joni Bell, and

LUBBOCK BICYCLE CLUB Members--Melinda Harvey, Judy Austin, Becky & Ray Kinserlow, Terry Haskins, Billy Breckenridge, Jim Walker, Anna & Johnny Withers, Pat Crawford, and Elizabeth Linder.

My sincere thanks go out to these volunteers for taking their time to make everything at the run work for the participants.

And, if you enjoyed the food and refreshments, it was all possible because of donations from the following companies and their representatives:

Pepsi Cola Company Bill Rutledge
 Potato Specialties Larry Ezell
 Keebler Cookies David Armstrong
 Decker Foods Richard ?
 Brownie Brokerage, Rod ?
 Nogales, Arizona

To them we say a big "THANK YOU" and extend a welcoming invitation to any of our events.

All in all, it was a fun day. It was wonderful to see a lot of our prodigal runners and to welcome new ones.

The one overall comment I heard that summed our fellowship was that everyone was so friendly. Runners are always ready to talk and listen "running".

So, again, thanks "ya'll" for attending, volunteering and of course running. See you at the next race...

Race Director, Horseshoe Bend Run
 Carlos D. Vigil

ODDS and ENDS

We've had a lot of new members sign up and begin participating in our races this year and mainly for their benefit I am devoting the entire page ten for the CHALLENGE SERIES rules. Several of the newer members have all ready served as volunteers and it is uplifting to see this unselfish attitude.

Weldon Kolb ran his first Marathon at Las Vegas in February and turned in a fine 3:38 finish.

Sunday morning LSD group training runs begin at 6 A.M., meeting at the MacKenzie Park party house. Call Ron Key for more information at 792-9280.

Your editor would like to apologize to Mark Gariand for leaving him off the listing of RUN FOR THE ARTS volunteers last month.

W. T. R. C 1992 CHALLENGE SERIES

RULES

****The West Texas Running Club's 1992 Challenge Series****

The WTRC is happy to continue for 1992 the Challenge Series, a 12 month series of events culminating in year-end awards for performance and participation by club members in our monthly club races. The tentative Schedule of Events is listed in the calendar of each newsletter, and each month's designated race will be detailed in the Newsletter prior to that race. All members desiring to participate in the 1992 Challenge Series must volunteer to serve as a non-running worker at one Challenge Series event as an entry requirement.

The 1992 Challenge Series features these categories:

1. 66 Mile Club - All members completing 66 miles in qualifying events will receive an award denoting that achievement. There will be a total of approximately 90 qualifying miles available. Any member serving as RACE DIRECTOR will be credited with double mileage for the most miles in that event. Any member who serves as a volunteer will be credited for the whole mile in that event.
2. Mileage Award *** An award will be presented to the male and female members who accumulate the most miles for the year in qualifying events. All provisions for Race Directors and volunteers listed above apply to this category.
3. Participation Award *** An award will be presented to the male and female members who participate in the greatest number of qualifying events. All provisions for Race Directors and volunteers apply to this category.
4. Champions' Series ** Points will be earned at each qualifying event in the following manner:
 - A. Divisions will include: Male: 0-19, 20-29, 30 - 39, 40 - 49, and 50 Plus, and Female: 0-19, 20-29, 30-39 and 40 Plus
 - B. The 1st place finisher in each division at each distance at each qualifying event will earn 10 points, the 2nd place finisher 9 points, 3rd place finisher 8 points, and so on down to 1 point for 10th place finisher. This rewards both performance and participation, i.e. if a runner finishes last in their division, but only 3 other runners in that division attend that race, the last place finisher would still earn 7 points for a 4th place finish. This allows slower runners who attend more races to accumulate additional points over their faster competitors who do not participate as often. For example, a runner who attends 10 events and earns 6 points at each would have more points than a competitor who won each of 5 events he entered, thus rewarding participation and performance. Also, runners may enter any distance available at a qualifying event and still earn points.
 - C. Awards will be presented to at least 40% of the number of the top point scorers in each division. The number of awards to be given in each division will be determined at a future date after a consideration of the number of Challenge Series participants. Awards will be presented at a year end membership meeting.
 - D. Monthly Challenge Series Statistical Updates will appear in the Newsletter.
