W.T.R.C. Races are usually held the Second Saturday of each Month

W.T.R.C. Official meetings are held monthly on the 2nd Tuesday, 7:00 P.M. at 3208 67th, Lubbock. These meetings are open and any member is invited to attend at any time

1992 RUN for the ARTS

Mike Greer, Race Director for this year's "RUN FOR THE ARTS" scheduled for March 28, 1992 has lined up a great team to head the various committees this year. A lot of help is still needed however to stage the event, so if you are injured or would just like to be a part of this great club effort, please give Mike a call at 796-8213. Also see page 7 of this newsletter. Please do your part to make this, our only fund-raising event, a success by volunteering to help. There are many places to help for those who want to run in this year's event also! See Course Records and award information on page 10.

WEST TEXAS RUNNING CLUB COTTON PATCH RUN

SATURDAY, FEBRUARY 8, 1992

We had a great turnout for the third time the "COTTONPATCH RUN" has been held at the Wolforth location. For the second year in a row 70 people participated. The weather was a bit windy for the 8 milers 4 to 6 mile stretch and the temperature was a little colder than was expected, but it sure could have been a lot worse. Race Director, Dennis Bell had lots of able assistance from volunteers Jim Lesser, Theresa Marez, David Skelton, Larry Reno, Larry Byrd, Cande Olivas, Frank Sumpter, Jr. and Carlos Vigil. A special thanks is due also to Joe Martinez who helped with the course measurement and marking on Friday and to James Bone for bringing the trailer out early. Eight mile winner, Peter Komendarek hails from west central New York and works for the Gould Pump Company that Chuck Johnson and Don Kephart work for. That area of New York is where Don Kephart now lives. New club member Eloy Hernandez won his second race in a row as he set the pace for the four milers.

NEWS and NOTES

AGE GROUP DIVISIONS

As we mentioned elsewhere in this issue, the Board of Directors has voted to expand our age divisions mainly because of the large number of participants in the 30 to 49 range. I am sure this will be welcomed by many of our older runners. The policy for the past 3 years has been to give awards to the top 40 percent in each age group, and will continue with the new divisions. An article in THE OKLAHOMA RUNNER discusses the age bracket differences and the NATIONAL MASTERS NEWS (NMN) age and sex graded scoring system. The TULSA RUN, a 15K race with a large field and many elite runners of all ages is used as an example. The top 100 times, male and female, in this run have been posted by people in the 20 to 34 age range. There is virtually no difference in ability in the 20 to 34 year range, but there is a significant difference in ability between a 45 year old runner and a 49 year old runner. With the NMN age graded system, a 60 year old runner could be the masters winner instead of the usual 40 to 44 age runner. Since we are only concerned with age group separation in our club races, this is only academic, but for our larger races we now have the capability of using the age-graded system with the RUNNING SCORE software that we have. The chart below illustrates the comparative ability gap.

straight line represents ability gap

W.T.R.C. LOGO JACKETS and T-SHIRTS

Several people have expressed interest in having one of the TYVEK jackets that about 120 of our members are seen wearing. We must have an order for 50 of these jackets to attain them at a cost of \$17.50. Also some have asked about club logo T-Shirts that might be worn to publicize the club. Anyone who wants one of these items should contact Membership chairman, Joe Martinez who will keep a list until sufficient commitments have been made to justify an order. Joe's number is 794-7355.

NEWS AND NOTES

(Continued)

MEMBERSHIP

Our membership roster has grown considerably due to a lot of new people signing up during the past 3 to 4 months. Two of our newest are Jim Henson and Darren Dennard who completed the WHITEROCK MARATHON back in December. This brings the total club members who finished to 25! It has been called to my attention that Randy Allen ran a 3:20:59 at WHITEROCK rather than the previously reported incorrect time. This month's Newsletter is once again going to everyone who was a member in 1991, even if they have not renewed, in order to deliver the RUN FOR THE ARTS entry. If we have correctly credited you with renewal, your mailing label will have a "92" penciled on it. If you have a question about your status, please call Joe Martinez at 794-7355. To those who are contemplating not renewing, let me implore you to "re-up" to keep us a strong force in the community. There are two current issues to which the club must speak, and a strong membership position will give us a lot more "political" clout. One of these is the fact that for this and future RUN FOR THE ARTS, the Cultural Affairs Council of the Lubbock C of C has put the squeeze on the club in many ways. Another current concern is the low water crossings in MACKENZIE STATE PARK, which is maintained by the City of Lubbock Parks and Recreation Department. Many runners like to go to the Canyon Lakes area to run and several of our races are held in that area. The low water crossings are frequently impassable due to maintenance neglect and if corrected, would greatly improve the area for recreational running. Now that the portion of I 27 through the area is being completed, a lot more park roadway is available up the Canyon Lakes. If these are important to you, we not only need your dues paying support, but we can use your input at our monthly meetings.

AT THE RACES

About the time this newsletter is going out several club members will be participating at the COWTOWN MARATHON AND 10K, including your editor and son, Jeffrey. We want to know about each member's effort at the out of town events so please call George Jurey at 792-3291 or 792-1237 to report results. One event we failed to mention as I should have was the "Marathon" put on by Mark Garland in the Canyon Lakes area December 21, 1991. There were 5 finishers with the following times; Robert Irvin, 3:24:46; Jeffrey Jurey, 3:34:33; Kurt Johnson, 3:19:32; Roger Greene, 4:30:33; Mike Greer, 4:30:37.

TI COMPUTER REPLACEMENT

Many thanks to Tom Thomas who was able to obtain a replacement (at no cost !) for the original computer donated to the club by TEXAS INSTRUMENTS when it's hard drive "crashed".

1992 FEATURES

This year's RUN FOR THE ARTS will feature a new route for the 15K through the Canyon Lakes and MACKENZIE PARK areas. Also the nice medallion awards will be given in the above age groups at least three deep and some age groups will go five deep.
