* These individuals won awards in their regular age divisions.

This is the first time to have a Clydesdale Division in the RRRR. It was the race director's decision to not give out duplicate awards. Since there was a pretty good interest in this feature, we would like to have your input as to how it could be made better. (we may have to have a scale on hand at packet pick-up to verify qualification...)

If you would like to comment or offer suggestions, contact George Jury, 5212 44th, Lubbock, TX 79414.

1994 RED RAIDER ROAD RACE RACE DIRECTOR'S REPORT

The 13th annual RRRR is now history. A total registration of 337 was considerably above last year's attendance, but far short of 1983's record of 514 finishers. That year was a 10K only, and the winner was Quinn Smith with a time of 32:53. This year Quinn returned at age 34 to establish a new course record in the 5K at 16:13. The weatherman provided us with ideal conditions with temperature at start time of 43 and 47 at 9:00.

In addition to Quinn's new record, 6 other runners established new standards. Of the 38 age groups, 21 records have been established in the 3 years since the course was certified. Age group leaders setting new standards were: In the 5K, Brenda Lauten, 29, Houston, 19:52 (which is also an overall Women's Course Record); Bob Finn, 39, Big Spring, 16:57, (2nd place Overall); Tony Collins, 44, Pittsburg, 17:43;

In the 10K, Marjory Stewart, 35, Lubbock, claimed another division with 37:41; Bobbie Jester, 40, Amarillo, 44:41; Don Sanderson, 64, Tulia, now owns the 10K Age Group Record with 43:46. Marjory Stewart's 6 year old son, Ian, was probably our youngest competitor ever with a 28:09 5K time. In age graded Masters, Jim Leser, 47, Lubbock, 37:22, claimed the title in the 10K after being the overall winner of the 5K last year.

Another Amarillo woman, Bobbie Jester, 40, took home the Female title with 44:41. In the 5K, Tony Collins, 44, Pittsburg, claimed the title as well as the Age Group Record with a time of 17:43. Debbie Martin, 43, Shallowater, was the Women's winner with a time of 23:40.

This year's race featured a Glydesdale division for men over 190# and women over 150# and these results are posted on the back page.

The largest number of entrants with the same name was the Holly family with 12. Seventy four year old Daisy Holly was entered but unable to participate because of medical tests. Her four sons and their families rounded out the crew. In addition to their two children, Craig and Dee of Midland, brought a Polish foreign exchange student, Rich Sobiechowski.

The scholarship winners of \$600.00 each were Kristin West and Kevin Rayhons, who were on hand to help at the finish line and the awards ceremony.

It is surprising what a large number of volunteers is required to make a race of this size possible. I can't imagine the management of a race with thousands of participants. I sincerely appreciate the help of all these people, but my wife, Pat, has handled the registration, which includes a day of work on Friday, and starts early on Saturday morning, and in addition, she has helped out at the finish line with computerized results for the past 6 years. In addition, my son, Jeff, has arrived on hand 2 hours prior to the race to put out the course markers, and to supply

the water stops. This is a physically demanding job which is bound to take a few seconds off your race time, yet Jeff finished 3rd overall in the 10K this year. After the race, he swept the course to pick up the above equipment and supplies and to return the rented equipment.

Ron Key once again supervised the computerized results which enabled us to begin the Awards Ceremony 40 minutes before the scheduled time. Ron also worked the Friday late registration along with Pat Jury, Joe Post, Hugh Haynes, Larry Reno, Jon Omdahl, Dwayne Oakeley, Pat McEachern, Weldon Kolb, George Rayhons, and Jim Leser. On hand for Saturday morning registration and packet distribution were Ron Key, Pat Jury, David Skelton, Arden Key, Carolyn Miller, and Sara Miller. Arriving at 6:00 a.m. to set up the finish line were Jim Leser, Joe Martinez and Larry Reno, as well as assistant director, George Rayhons, who will be next year's director. George was a tremendous help this year. Also helping Jeff with the course equipment was Dennis Bell. Finish line personnel included Joe Post, Larry Reno, Arden Key, Pat Jury, George Rayhons, Joe Martinez, Tony Aleman, Helen Barron, Carolyn Miller, and James Bone. Up on the announcing stand were Al Grotz, filling in for Mike Greer, and Sara Miller who helped spot the finishers. Filling in as a last minute replacement bicycle leader was Tom Weis, who also was on hand at 6:00 to open the Rec Center. Sandi Howard also lined up Joe Medellin, who I needed to lead the Wheelchair Division; however, Ross Davis chose to wheel in the back of the pack this time although he is capable of doing a 27:00 10K. P. J. Mitchell and Mary Krenek did a lot of work contacting potential contributors for draw prizes. P. J. was also on hand race day. James Bone once again provided fresh fruit compliments of his suppliers at Fleming's.

Once again the water stops and corner marshal positions were filled by students of the National Student Speech, Hearing, and Language Association. Bill Harn supervised this aspect of the race as well as securing the campus use permit. Three ROTC cadets served as split timers under the direction of George Rayhons. A special thanks is also due to the staff of the Ex-Students Association, Jim Douglass, Don Johnston, and Susan Bowen.

The race would not be possible without the corporate support of our loyal sponsors: CARDINAL'S SPORTS CENTER, FIRST NATIONAL BANK OF WEST TEXAS, and METHODIST HOSPITAL.

Among our contributors were Sierra Water, Safway Scaffolding, Whataburger, John Hartsfield Texaco, and prize contributors RUNNER'S WORLD MAGAZINE, Lady Footlocker, Mountain Hideaway, Grady's Restaurant, Mr. Peng's Cuisine, Gardski's, CiCi's Pizza, and Canyon Creek BBQ & Grill.

To all of you who volunteered, your help was invaluable. There is no way our Club could have afforded to pay for the work you did! Thanks. The Scholarship fund should receive a healthy boost because of our success.
