Race Report

I want to thank each of the volunteers for the great job they did helping me fulfill Sam's role on race day. I love the WTRC and appreciate what we stand for and want to encourage runners of all abilities and am really happy with the turnout of participants. (134 10K, 210 official 5Kers, 344 total) it really was good to be back on campus. And it was perfect race day weather! We only had 2 records reset, Josephat Keino in the 5K broke the 25-29M standard of 16:20 by Tim Green in 1991 with 16:11. He is the nephew of the great Kip Keino and attended his first 2 years at SPJC, now residing in El Paso. Edie Abel set a new standard for 10K Athena of 51:34.

Dwayne Oakeley and Randy Holloway worked their tails off, then ran as did David Higgins, Ron Lubowicz and Susan Caudle. Of course I know how much work Tom Griffin did as I have been there before!

The only snafus of the day was the electrical problem which caused a lot of mental anguish for Tom and David, but only a slight delay in starting the race. I learned I needed to have the results pages on a clipboard and check off the names as I give out the awards, as I got into the wrong group early on and had to exchange some medals before going on. Many thanks to Tony and Josie Aleman, Mike Kelley, Larry Byrd, John Trompler, Dick Baker, Tom Weis, Kendall Higgins, P.J. Mitchell, and Mike Greer. I would like to have had another person to help Mike with the spotting of runners as they approached, but another suitable volunteer was not available.

Friday and early Saturday registration was made a lot easier by the help of the NSSHLA (National Student Speech, Hearing and Language Assn) and their leader Leslie Cortez. These students also manned the aid stations and corners.

Also a big assist was given by Tom Griffin's son, John, as he helped both on Friday and race day.

Also a big thanks to Dr. Azab, Vanessa Hocutt, her husband Usman Jehanjiri and Todd Klein of the Lubbock Humane Society who helped at the finish line.

I hope I didn't forget anyone, if I did ya'll let me know so I can fix that!
George
