NOTES FROM THE PRESIDENT

Looking back at 2006 we see that the WTRC had a very good year. The overall attendance at Club races was very good, our membership numbers remained healthy and our members seemed to mix with an easy camaraderie, availability of volunteers was as strong as ever, and even nature was kind to us with mostly fantastic weather on race days. Financially we were able to keep pace with the needs of our scholarship programs and upgrade and maintain our equipment and website.

Your board, plus a few key non-board volunteers, did a great job of making the general management of the Club's affairs thorough and effective. And on the race front we picked up a couple of new race directors ... another great example of our strong volunteer spirit where Club members were willing to step up to fill some key vacancies.

Looking ahead to 2007 we see gobs of potential to keep the fun coming, to support the sport we love, to put on the very best races possible, to grow our membership, to make Lubbock an inviting running venue for visitors, to build stronger ties with fellow endurance athletes, to become more attractive to families and younger runners, to stay generous in our scholarship giving, and to create both short and long term policy to insure that the WTRC is thriving for the next 30 years or more.

Thanks for a great year ... and SYOTR, Ron

2006 Redline Run

Director's Report - Tom Griffin

I really don't know what we're doing to deserve such mild weather for the Redline, but we again escaped the bitter cold this year. A record number of runners - 93 - finished the race! Check out the great pics on the WTRC web site! Again this year the race was in support of the Marine Corps Reserve Toys For Tots Program, and we had a large group of Marines and members of the Marine Corps League on hand to help out with the race. In addition to a great collection of toys brought by the runners, proceeds of the race will be donated to the 2006 Toys For Tots program.

Logan Carver, 21, from Lubbock was First Overall Male with a time of 24:58. Kelly Schmedes, 23, also from Lubbock was First Overall Female with a time of 29:22. Two new age group records were recorded - Ann Cruce-Roberts, 31, ran a 30:16 to break the Female 30-34 record of 31:11 held by April Stein, 31, since 1989! Etta Mayer set a new record for Female 55-59; running a 42:01 against Estella Galvan's 2001 time of 44:30.

The crew of volunteers who made the race possible included Tara Madrigal, John Griffin, Irma Sanchez, Malinda Colwell, Tony Aleman, Josie Aleman, Jerry Dwyer, Eric Ford, Brett Hart, Jill Haukos, Ron Lubowicz, Jay Keith, John Keith, Adam Barron, Farrell Martin, James Bone, D.J. Gonzales, Jackie Cannon, and Kendall Higgins. Special thanks to the Marine League and the Marine Corps Reserve for their help.

Redline being the last race of the year to meet the requirements of the WTRC Challenge Series, it's always disappointing to see the large number of runners who might otherwise qualify for a Challenge Series award, but fail to volunteer as a non-running worker at any of the 13 club races during the year. Without volunteers, there would be no races. Special thanks to those who do volunteer, and make it possible for others to run.

*** The West Texas Running Club's Challenge Series ***

The WTRC CHALLENGE SERIES continues, as a 12 month series of 13 races culminating in year-end awards for performance, endurance and participation by club members in our monthly club races. The schedule of events is listed in the calendar of each newsletter, and each designated race will be detailed in the W.T.R.C. Newsletter prior to that race. Additional categories this year will again recognize non running volunteers.

All members desiring to participate in the Challenge Series must volunteer to serve as a non-running worker at one Challenge Series event as an entry requirement. (There will be no duplication of awards)

The Challenge Series features these categories:

1. 66 Mile Club ** All members completing 66 miles in qualifying events will receive an award denoting that achievement. There will be a total of approximately 101 qualifying miles available. Any member serving as RACE DIRECTOR will be credited with double mileage for the most miles in that event. Any member who serves as a volunteer will be credited for the most miles at those races with more than one distance.

2. MILEAGE AWARD ** An award will be presented to the male and female members who accumulate the most miles for the year in qualifying events. All provisions for Race Directors and volunteers listed above apply to this category.

3. PARTICIPATION AWARD *** An award will be presented to the female and male members who participate in the greatest number of qualifying events. All provisions for Race Directors and volunteers apply to this category.

4. VOLUNTEER OF THE YEAR ** Up to three awards will be given to those non runners who help the most at club sanctioned events. These selections will be made by the Race Directors.

5. VICTOR'S RANKINGS *** Points will be earned at each qualifying event in the following Age and Sex groupings:

A. Divisions will include: MALE AGE GROUPS; 0-12, 13-15, 16-19, 20-24, 25-29, 30-34, 35-39 40-44, 45-49, 50-54, 55-59, 60-64, 65-69 & 70+ FEMALE AGE GROUPS; 0-12, 13-15, 16-19, 20-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59 & 60 Plus.

(Those less than 13 must run in the shortest races offered) Clydesdale/Athens category: Men over 190 pounds, Women over 150 pounds

Age Graded Scoring.

B. The overall winners in each race are awarded 11 points, then the 1st place finisher in each division at each distance at each qualifying event will earn 10 points, the 2nd place, 9 points, 3rd place, 8 points, and so on down to 1 point for 10th place finisher. This rewards both performance and participation, i.e., if a runner finishes last in their division, but only 3 other runners in that division attend that race, the last place finisher would still earn 7 points for a 4th place finish. This allows slower runners who attend more races to accumulate additional points over their faster competitors who do not participate as often. For example, a runner who attends 10 events and earns 6 points at each would have more points than a competitor who won each of 5 events he entered, thus rewarding participation and performance. Also, runners may enter any distance available at a qualifying event and still earn points. (Except those under 13 years of age must run in the shortest race)

C. Awards will be presented to a minimum of 3 and up to 5 of the top point scorers in each division. Awards will be presented at a year end membership meeting.

D. To win a "Points" award a member must have run in at least 3 events and volunteered for at least one other.

E. Monthly Challenge Series Statistical Updates will appear in the Newsletter.

** = RACE DIRECTOR
* = VOLUNTEER

We have so much, yet it was really great to have even more to be thankful for this past Thanksgiving Day ... wonderful weather, an outstanding group of volunteers, and a great turnout of runners and their cheering sections of families and friends. This year's event had close to 200 finishers in the 2-miler and about 150 runners in the 12K race. The traditional 1st place turkeys went to Jackie Cannon (Amarillo) and Madison Kauffman in the 2-mile race and to Brandon Johnson (who declined it in respect of his scholarship and NCAA rules) and Hope Jimenez (Lamesa) in the 12K event.

Quite a few records fell on the 12K course this year. Jacob Lozano of Hobbs (13-15), Brandon Johnson (16-19), Chris Layman of Lamesa (20-24), Larry Millard of Spring Branch (35-39), and Bob Jackson of Hobbs (45-49) all set new targets for the guys in their age groups. Raising the bar for the women runners were Addison LeMaster of Tulsa (16-19), Nedra Bray of Austin (35-39), Sherill Easterling of Snyder (55-59), P.J. Mitchell (60-64), and Edie Abel (Athena). Congratulations to all.

Of course without our sponsors and volunteers none of this could have happened. My praise and heartfelt thanks go out to Jose and Tony Aleman, Heather Barron, Vickie Bunting, Larry Byrd, Suzan Caudle, John and Tom Griffin, David and Kendall Higgins, George, Jeff and Pat Jury, Elizabeth Keino, Wanda LaGrave, Tara Madrigal, Dawn Mayhew, Stormy Montgomery, Steve Murphy, Iris Rivero, Ralph Shelton, Jim Sorley, Larissa True, Tom Weis, and my wife Barbara and daughter Katy. These are the folks who really made this race happen. Special thanks and appreciation also go out to Schlotsky's for their sponsorship, refreshments and prizes, to United Supermarkets for the Turkeys, bagels, bananas and oranges, to Buffalo Springs Lake and State National Bank for their great door prizes, to Culligan for their cool, clear water, to all the workers at MHMR for their help in printing and folding our T-Shirts, to the Lubbock Police for keeping us safe at street crossings, to Channel 13 for the TV coverage, and to Lubbock Parks & Recreation for the use of the Outdoor Center.

And to the 60-and-older male finishers in the 12K, I feel that I must publicly apologize for having lost the page recognizing your achievements during the awards ceremony; and then for having made so light of it. The record has been corrected and I can hear the crowd cheering for you now. Sorry guys ... please accept our belated congratulations!

LEGACY

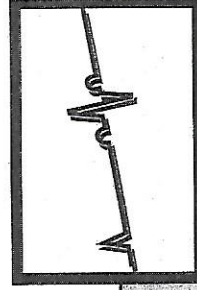

It is amazing to me how time flies, and especially how time gets away from you when you are enjoying yourself. No matter the pursuit in life it is important to enjoy yourself. Over the years I can recall the many times, through my varied interests in life, that I have enjoyed myself and then on the other hand I have not. But, for the most part I have and that is the good news. What I have found is what determines enjoyment and not-enjoyment is basically the people you are around while in your pursuit and how these people have a true passion for what they do, how they organize this passion, and then of course how it is implemented. Now this may sound all farfetched and somewhat theoretical or even too deep for this newsletter, but I think if you bear with me for a few minutes you will get the message that I would like to deliver. It has always been my theory of life that everything we do has a synergistic motion to each other, whether to the positive or to the

negative. Whichever side it ends up being on really doesn't matter, as long as we learn from it, shed the negative as soon as possible and accentuate the positive to the utmost. So, bottom line here is that life gives us the opportunities to experience the good, bad and ugly. I have remarked that my service as the Interim USA Triathlon Executive Director exposed me to the good, bad, ugly and ugliest of the sport of triathlon. But, by and large the good far outweighed the ugliest, and I learned from both.

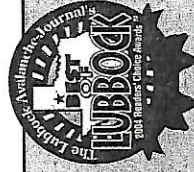

As I progress in this intellectual pursuit of diverse thoughts of the past years, the light bulb comes on relative to the new year of 2007 that is just around the corner. No, this is not a plea to start writing your New Years resolutions, but it is my opportunity to reminisce and compliment our own West Texas Running Club. This is a club, created by local people over 30 years ago, that has experienced a succession of leadership that is beyond reproach. It is a fact that runners will come if you give them an opportunity, but it is also a fact that if you don't treat them right and have a good reason to come, they will not. Since the magical year of 2007 will mark my 30th anniversary as a member of the WTRC, I thought it was time to pass along some good cheer about the club. While their mission statement calls for the advancement and growth of the sport of running, the club goes way beyond that. The club has established its' own college scholarship fund, has been a driving force in assisting the Koman for Cancer road race and is always there to help the first time race get its' feet on the ground, and also provide leadership positions within the club that allows people to serve and grow. With the clubs presentation of the monthly road races it enables the veteran and novice runner the opportunity to race on safe and challenging venues. As I look at the leadership, past and present, of the club over the past 30 years, I see a tremendous continuity of dedication to the clubs' purpose. It has been my privilege to be a member of some of the largest and best running/triathlon clubs in the USA and I find the WTRC is beyond reproach when comparing them.

So, my fellow members please take the time to thank your WTRC board of directors for the fine job they do in providing us with safe races, race directors, volunteers and the opportunity for the sport of running to grow through their efforts.

A BIG THANKS FROM THIS CLUB MEMBER.....Mike Greer
