

### 27th Annual Red Raider Road Race 5K & 10K

October 2008

Volume 1, Issue 9

#### NOTES FROM THE PRESIDENT

I need you to build on what I am about to write ... something that several of us think is the tip of a very good idea; one that will not only further fulfill this club's mission statement while possibly building our membership, but also put us more in the public's eye as a real contributor to the fabric of Lubbock's vitality.

A small group of WTRC members from the Tech faculty have privately begun holding running "clinics" for participants in the "Get Fit Lubbock" program. This is sort of an ease-in transition from walking to running, complete with web-based advice on how to begin training for 5K & 10K runs. This group obviously takes teaching seriously, and by their nature are wanting to share this valuable not-of-the-classroom knowledge they possess with a totally different kind of student, the one thirsting for lifestyle knowledge. Are you applauding them yet?

What can the Club do during this transitional period? We already have added a short race to most of our events and are trying to adapt the others to include a shorter course for the not-ready-for-prime-time runners. And there is some discussion about creating a first year only reduced-fee membership (thereby getting them race entries at Club prices) for people in programs such as "Get Fit Lubbock" who cannot yet see themselves as "runners".

I know that there are other good ideas out there among you ... please do not let them rot inside your head. Let's work together to make our wonderful sport a part of more and more people's lives. It will be good for them and good for your Club.

SYOTR, Ron

The WTRC CHALLENGE SERIES continues for 2008, as a 12 month series of 13 races culminating in year-end awards for performance, endurance and participation by club members in our monthly club races. The schedule of events is listed on the website and in the calendar of each newsletter, and each designated race will be detailed in the W.T.R.C. Newsletter prior to that race. Additional categories this year will again recognize non running volunteers.

All members desiring to participate in the Challenge Series must volunteer to serve as a non-running worker at one Challenge Series event as an entry requirement. (There will be no duplication of awards) The Challenge Series features these categories:

- 1. **66 Mile Club** \*\* All members completing 66 miles in qualifying events will receive an award denoting that achievement. There will be a total of 101 qualifying miles available. Any member serving as RACE DIRECTOR will be credited with double mileage for the most miles in that event. Any member who serves as a volunteer will be credited for the most miles at those races with more than one distance.
- 2. MILEAGE AWARD \*\* An award will be presented to the male and female members who accumulate the most miles for the year in qualifying events. All provisions for Race Directors and volunteers listed above apply to this category.
- 3. PARTICIPATION AWARD \*\* An award will be presented to the female and male members who participate in the greatest number of qualifying events. All provisions for Race Directors and volunteers apply to this category.
- 4. VOLUNTEER OF THE YEAR \*\* Up to three awards will be given to those Non runners who help the most at club sanctioned events. These selections will be made by the Race Directors.
- 5. VICTOR'S RANKINGS \*\*\*\* Points will be earned at each qualifying event in the following Age and Sex groupings:
- A. Divisions will include:

#### MALE AGE GROUPS

06-12, 13-15, 16-19, 20-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-99,

#### **FEMALE AGE GROUPS**

06-12, 13-15, 16-19, 20-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-99

#### CLYDESDALE CATEGORY

Men over 190 pounds (Age Graded Scoring)

#### ATHENA CATEGORY

Women over 150 pounds (Age Graded Scoring)

- B. The 1st place finisher in each division at each distance at each qualifying event will earn 10 points, the 2nd place, 9 points, 3rd place, 8 points, and so on down to 1 point for 10th place finisher. This rewards both performance and participation, i.e., if a runner finishes last in their division, but only 3 other runners in that division attend that race, the last place finisher would still earn 7 points for a 4th place finish. This allows slower runners who attend more races to accumulate additional points over their faster competitors who do not participate as often. For example, a runner who attends 10 events and earns 6 points at each would have more points than a competitor who won each of 5 events he entered, thus rewarding participation and performance. Also, runners may enter any distance available at a qualifying event and still earn points. (Except those under 13 years of age must run in the shortest race)
- C. For each race, the runner's age division will be determined by their age on race day. Challenge Series division will be determined by the runner's age at the end of each year. All points earned during the year will be credited in the Challenge Series division at the end of the year. For example, a runner might compete in 5 events at 39 years of age; then have a birthday and compete in 3 events at age 40. For Challenge Series awards, that runner would be considered as 40 for the entire year, with all points earned during the year being credited for awards consideration in the 40-44 division.

D. Awards will be presented to a minimum of 3 and up to 5 of the top point scorers in each division. Awards will be presented at a year end (January) club social/membership meeting.

- E. To win a "Points" award a member must have run in at least 3 events and volunteered for at least one other.
- F. Monthly Challenge Series Statistical Updates will appear in the newsletter and on the website.

#### **RRCA Safety Reminders!**

Today, while reading the Washington Post, I was reminded about the importance of continually sharing the RRCA Running Safety Tips. The following is an excerpt from the news article written by Dan Morse, Washington Post staff writer:

"A 30-year-old jogger was raped Monday night after being pulled into a wooded area of Rock Creek Park just south of Kensington, marking the second time in the last week a Montgomery County woman has been taken into the woods and sexually assaulted, police said."

Investigators are examining whether the events are related, but thus far have found no evidence to that effect. In the most recent incident, the 30-year-old started her run about 7:45pm, wearing a portable music player. As she jogged along a footpath in the area that crosses under Connecticut Avenue, just north of the Beltway, a man came up from behind and grabbed her. After the attack, she was unable to find help from passing motorists, so she walked home to Kensington, and was driven to a local hospital, where she was treated for the assault and trauma to her face, neck and shoulders, police said. She remained hospitalized today."

Our sympathies go out to this women as she recovers from this traumatic incident. As a result, I implore everyone in the running community to email their members or email event participants and remind the ever growing number of runners to practice safe running which includes leaving the headphones at home.

The RRCA offers a variety of running safety tips that can be found on our website:

#### David,

Congratulations, the West Texas Running Club's Buffalo Wallow 2 Mile race has been selected as the 2008 RRCA Texas State 2-Mile Championship race!

Since 1958, the RRCA has awarded championship events. The goal of the RRCA Championship Events is to help the host club or event recruit top performing runners, attract sponsors, and improve civic and media support. A championship designation communicates to athletes and the community that the race organizers have agreed to follow approved guidelines in the conduct of the event. The RRCA establishes guidelines and standards for championship races, but conduct of the event is the responsibility of the host member.

If you would like to accept this race distinction please complete the embedded document then send to me by October 1, 2008.

Championship Events may qualify to receive the following benefits:

- FuelBelt, Inc premiums
- Corporate Supporter coupons for event participants
- Discounted services from Active.com
- Preferred pricing on participant shirts from Sportscience

All RRCA Championship Events may check-out an RRCA Championship banner from their State Rep.

Don't hesitate to contact me with any questions and congratulations again,

~K2

#### Dear club members;

The challenge series has been recalculated and the status is reflected in the version in this issue. Please know that there very likely are some errors and if so please let me know all of the events and distances you have run in and I will get it corrected. Also, new members who I may have missed, if you want to be included in the Challenge Series, also give me the same data as above.

George W. Jury rungwj@aol.com 792-3291 (d), 792-1237 (n) We need your help with the Red Raider Road Race, volunteers are needed to help with Friday, October 10th packet pick up and late registration and a lot are needed for race day. Some that are going to run could sure be used at the early Saturday morning race day packet pick up and late registration, and then still be able to run the race. If you would like to help us please contact Jill Haukos @ HAUKOS@aol.com, by phone @ 797-2012 or 894-9611, Ext. #2308
