## President's Report

We have entered the age of contributing, of helping out, of trying to make a difference. You hear it at church ... kids of all ages hear it at school ... it's on the national agenda. Volunteering is truly the IN thing to do. Everyone I know who has tried it seems to now be hooked on it. Might this be the new feel-good drug?

At least two noteworthy results are universally observed from volunteering: (1) it is good for the health of the community it serves; (2) and it is very, very good for the health of the volunteer.

Now let's turn this inward for just a moment ... let's apply these thoughts to the WTRC. What we do is all about health, ...physical, mental and spiritual. Plus we are blessed with a quite healthy organization thru which we share our personal quests for health. I doubt that this is an accident or just good luck.

I believe that our shared health and that of the running community we serve is significantly improved because of the widespread volunteering of our members not only at Club events but at other regional efforts such as the Buffalo Springs Triathlon.

Service can be fun, healthy fun, So if you haven't tried volunteering, please don't be shy ... step forward, call a race director and put your name on his/her list. You'll find it to be quite addictive. I'm not the only president with a health care plan now, am I?

SYOTR, Ron

## Shallowater Stampede Race Director's Report

It was 6:30 in the morning when I pulled into the Shallowater high school parking lot. As a first year race director I was a bit nervous just hoping everything would be in order for a great race. George and Randy were already there emptying the trailer and getting the course marked. Things were off to a great start. The weather was a little cool and so far no moisture on the ground. (George however informed me that the weather channel said the rain was on its way.) At 7 am people started showing up and they just kept coming and coming and coming. WOW! 272 eventually showed up to race. This was by far the biggest Shallowater Stampede that we have ever had. The previous record was 196 in 2006.

We also had over 20 volunteers that made this race happen. I would like to personally thank the Sr. Class Parents for all the hard work that they provided. I could not have asked for anything better. For the first time ever they completely sold out of T-shirts for the annual Project Graduation. Thanks to all who bought T shirts.

I would also like to say thanks to the officers and directors of the WTRC. Folks, I want you to know that they run a very efficient and organized machine. They organize these races each month and go above and beyond what should be expected just so that you and I can enjoy this sport that we love so much. Thank you so much for showing this "newbie" race director the ropes.

The race ended with no injuries, a bunch of bagels and bananas, a lot of awards and 3 new course records. It was a great experience. I hope to see everyone again next year. We are considering pizza and comdogs next year at the 10k turnaround!! What do ya think?

It was 10:00 am as I watched Randy pull out of the parking lot with the trailer and head to Lubbock, well --- it began to rain. Thanks George.

Rod Burgett

## Club Member News

Several months ago our club member, Dr. Lawrence Schovanec (Larry to us) was named Interim Dean of the College of Arts and Science at TTU, and is still in that position. It must keep him pretty busy, as we have not seen him at the races recently. Congratulations, Larry!

Iris Rivero, an associate professor and advisor of Texas Tech's Manufacturing and Design Research Group, is one of six recipients of the Society of Manufacturing Engineers 2009 John G. Bollinger Outstanding Young Manufacturing Engineer Award. Congratulations, Iris!

Fred and Dr. Cheryl Weber have moved to Grand Junction, Colorado. They will be missed as both have been frequent participants and volunteers during their long time as members.

Our Sympathies go out to the families of; Former member, Mel Osborn died September 13, 2009 at age of 70. Club member Tom Clemmons' father, Dr. Thomas J. Clemmons, Jr. died September 14, 2009 and Greg Hoeve's father Henry Hoeve passed away on August 12, 2009.
