

## West Texas Running Club/Texas Tech University Scholarship Application

West Texas Running Club (WTRC) is pleased to offer scholarships of \$2,000.00 to students attending Texas Tech University. Funds for this scholarship program are generated by the proceeds from the Red Raider Road Race, an annual race traditionally held in the Fall. This race runs through the TTU campus and has been one of the largest races that the WTRC offers.

Applicants interested in the scholarship must submit the following materials to the **WTRC by August 25th:**

1. a completed application form
2. a personal statement indicating the relevance of this scholarship to you and your educational efforts
3. a letter of nomination from a WTRC member
4. TTU official transcript – **or** – official high school transcript if you have not attended TTU yet

Your application will be judged on:

- Your demonstrated commitment to education at TTU (must be a full time student, i.e. carrying 12 or more credits/semester for undergrads and 9 or more credits/semester for graduate students).
- Contents of your personal statement. You might wish to include: how this scholarship might benefit your academic career, what you have gained by participating in extracurricular activities (like running) and why you have selected your chosen career path.
- Academic record (as indicated by your transcript – include your high school transcript if you do not think your TTU transcript indicates your abilities).
- Your ties to West Texas (the area north of Interstate 20 as far west as the Pecos River and east to a line from Abilene to Wichita Falls) – as indicated in your personal statement.
- Your ties to the West Texas Running Club – as indicated in your personal statement or nomination letter.
- Extracurricular activities.
- Awards and honors.

**Students awarded a WTRC scholarship are expected to attend and assist at the Red Raider Road Race the morning of the event (September 9, 2017).**

In the event that funds are still available after the initial awards have been made, late applications will be considered.

Funding contingent on our receipt of a copy of your TTU schedule.

**Recipients will be notified by August 31<sup>st</sup>.**
