APRIL 14, 1979 - 5 MILE RUN, AMARILLO, TEXAS

Ah, spring has returned to West Texas! The weather for the April race was extremely pleasant (Temp 60°, Humidity 36%, wind out of the NW at 16 mph, clear skies).
 Congratulations to Bob Dunbar, not just for his impressive 30:53 division win, but especially for the organization and direction of the races. Watch out Tom, Jack, and Dale. Bob is obviously healing fast from his heel spur.

The April race was noted for its high percentage of non-club member attendance. The Amarillo-northern Panhandle area has certainly become a running Mecca, as evidenced by the participation and superior race times which were recorded.

Cliff McCurdy edged J. J. Jenkins by two seconds to run a beautiful 26:34 five-mile race on the rolling course. Cliff is now in first place in the extremely close "annual club victories" category. The 30-year and 15 & under groups were won by 57 second margins. Abernathy's pride, Bobby Cunningham won the older group, and David Stanz of Lubbock lead the younger division.

Beverly Watkins dominated the Amarillo-Canyon field of girls with a super 35:46 effort. In the Ladies Division, Brenda Barrett and Darlene Roos turned in commendable performances. Rumor has it, they have been on an intensive training program. Obviously, hard work pays off with deserved achievement. The improvement, competition, and participation in the Girls and Ladies Divisions have seen the greatest growth of any of our club groups this year. Congratulations women, keep up the good work.

Hopefully, everyone will learn a little more about their fellow club members, and by presenting the training techniques of club members of all ability levels, various ages and both sexes, we may even learn something that will help us with our own running.

In a 6.55 mile race (1/4 Mar.) in Austin recently, Jack Petty ran 15th overall out of 800 runners and finished first in 35-40 division by 40 seconds over second place. His time was 36:40. Six mile split was 33:00.

The following morning in Houston, Jack finished seventh overall out of 2,000+ runners in a 10 KM (6.2 mi.) race in 33:50. His six mile split was 32:50. He was placed sixth in 21-35 age division.

In the Austin race, Steve Stallings of Midland and WTRC was 12th overall in 36:07 and second in 21-25 division. Herd of Midland and WTRC was fourth in 35-40 and 28th overall in 38 minutes.

Carol Tyłka placed fourth in the 800 meter run at the Mexico City Olympic Invitational Track Meet on Saturday, March 17, with a time of 2:25 and came back the next day to place 15th in the 1500 meter run in 5:31 (don't forget this is at 7000 feet+ altitude).

Carol also ran 10:59 for 3,000 m at Texas Relays (that's two miles at about 5:45 each, back-to-back). Her 1500 splits were 5:30 and 5:29. She ran 5:10 for 1500 m the following day.

We received a report from John Alexander and Hardy Williams in which they wanted to let all of their friends know that they haven't given up on running, but have been hampered by a series of afflictions. John, who has been slowed down for some time with a chronic soreness in a hamstring and in the ball of his foot, suffered a further misfortune recently when a high wind blew the edge of a clipboard into his eye during a fun run in Carlsbad; resulting in a fairly serious injury. Hardy has recently undergone surgery and had a benign tumor removed. They both wanted to say "Hello" to everyone and that they will be back in the not too distant future.
