6 Mile and 3 Mile Races, Saturday, September 8, 1979  
 9:00 A.M., Floyd Guin Park, Odessa, Texas  
 Temperature: 71°F Humidity: 71%  
 Wind: 7MPH from the NE

The September races in Odessa, otherwise known as "Splendor in the Grass," always seem to result in some of the toughest competition of the year and this year was no exception. The three mile victory went to Andy Gonzales in a time of 15:00, while Pedro Florez took the six mile in 30:58 after a real dogfight which saw him defeat Joseph Mutai by one second and Julius Ogaro by three seconds. I wouldn't say that the thundering herd was anxious, but would you believe three false starts? Seemed like every time the starter scratched his nose the pack took off.

Relatively few records fell, however, race director Jack Petty managed to lower his own 30-39 record in the three mile to 15:12, while Mindee Mayfield blasted 1:26 off of the Girl's record with a time of 18:42. In the six mile, Bobby Cunningham set a new club member's 30-39 standard (33:06). Tom Bowser tied Susose Alexander's Club Member's 50 & Over record (40:04) and Sherrill Easterling completely destroyed the Ladies record (plus a bunch of male runners) in lowering it from 52:15 to 39:04.

Physically and mentally, this race is a little tougher on the runners than most of our other races. Due to the fact that the most desired path is relatively narrow in width and since the course is a one mile loop, there is plenty of opportunity for the faster runners in the six mile to lap the field. The result is some crowding and jostling and running in closer proximity than normal. This is not necessarily bad, just a different experience and a different type running than we have an opportunity to see in most of our events.

Looks like Howard Millsap is really back, running like he should, after a long, long period of sub-par running, mainly due to injuries.

Strangely enough, Mindee Mayfield's 3 Mile time of 18:42 was good for 472.1, which is the second highest level ever achieved by a female runner in a club race.

HELP!

As you know, when vacation time comes, duty requires that we go. Therefore it will befall the lot of Ray Lamont to put together the newsletter following the October Race. If you can help Ray, please get in touch with him. He needs your help! It would work out better if we could have about 6 volunteers from Lubbock, since Ray lives in Lubbock. Please give Ray a call at home 797-2460 or at work 743-2890 if you can help.

FIRST EVER FALL FOLIAGE FROLIC.....OCTOBER 20, 1979

The beautiful drive from Canadian to Lake Marvin will be the site of the first ever Lake Marvin Run. Tentative plans are:

FOR COUPLES:

5 miles...One man, one woman...add ages together as of October 1, 1979... Four age groups, (28-44, 45-51, 52-76, and 79 and up)...both run the total 5 miles, add time together to determine the winners...race to begin at 7:00 A.M.

FOR MEN:

10 miles over the same route, but with no double back...Age groups of 14-18, 19-29, 30-39, 40-49, and 50 and up...No women's division as we are hoping all the women will find a partner for the Couple's Run.

The road is all blacktop, approximately 2 miles from downtown Canadian, virtually level, and the foliage should be out-of-sight. There is also the chance to see many varieties of Texas Panhandle Wildlife. The entry fee will be \$5.00 per head and you will be permitted to enter only one of the events.

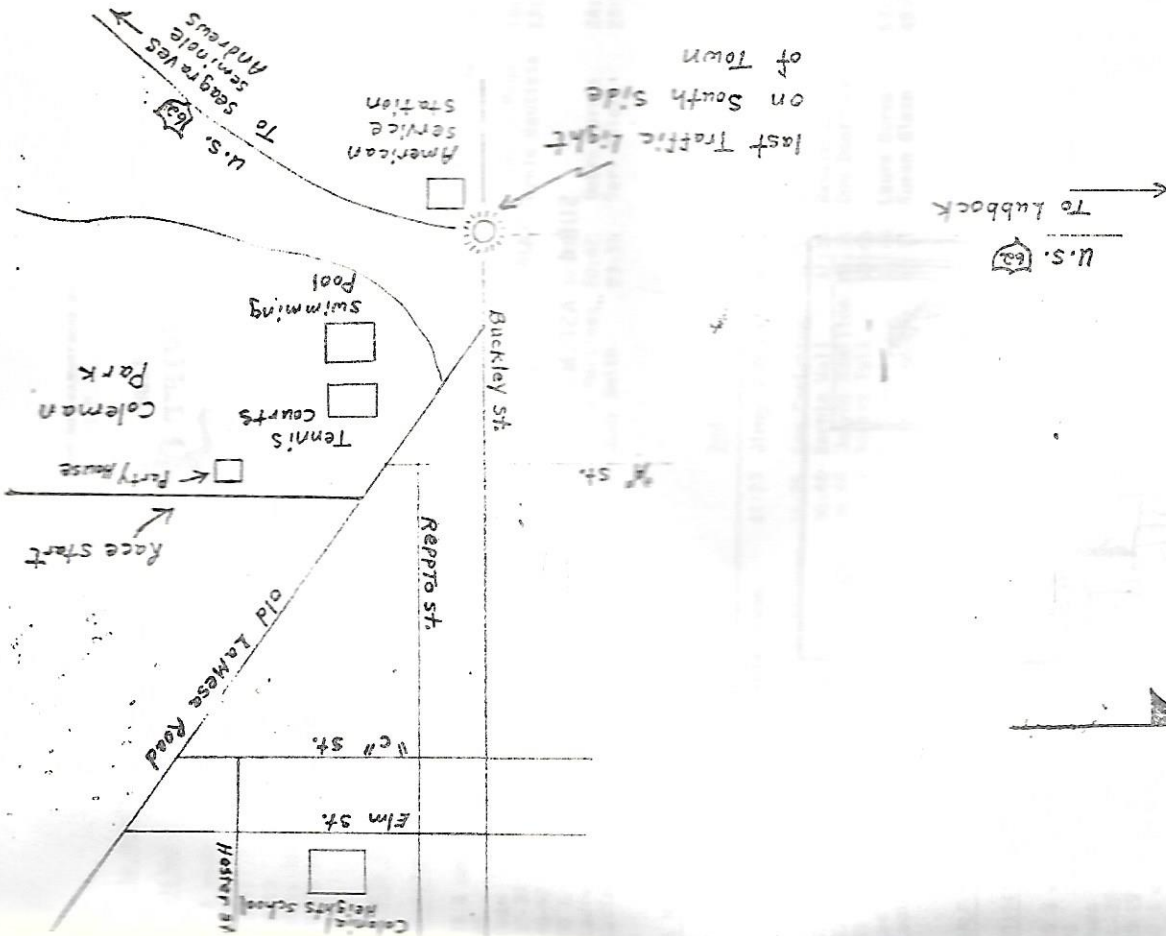

For further information and entry blanks contact the Canadian Kiwanis Club President Larry Dortch, 305 Elliott, Canadian, TX, 79014, (806) 323-8900 Home, or 323-5366 Office
