10. Saturday October 18: The Amarillo National Bank 10K Classic, Contact Amarillo National Bank, Attn: Vicki Bell, Box 1611, Amarillo, Texas 79181

11. Saturday November 1: Dallas White Rock Half Marathon, 9:00 AM, Race Directors Price Stone and Karen Austin, (214) 696-2740.

* 12. Saturday November 15: 9th Annual Buffalo Springs Lake 13 Miles & 2 Mile Runs. 10:00 AM, Lubbock, TX

13. Saturday November 22: Davis Mountain Marathon, 9:00 AM, Contact John R. Prude, Pueblo Ranch, Box 1431, Ft. Davis, TX 79734.

14. Saturday December 6: Dallas White Rock Marathon, 9:00 AM, Race Director James Thruston, (214) 826-8260.

5 MILE RUN

Saturday, August 9, 1980
9:00 AM, Coleman Park, Brownfield, TX
Temp. 77° F. Humidity 53% Wind from South at 0 MPH

Quinn Smith of Lovington, NM led eighty-four participants in the ninth annual tour of Brownfield's Coleman Park and environs. His 26:49 for the 5 miles, while not threatening Dennis Williams 1975 standard of 25:31, provided a healthy draft for three other open division runner--Bert Torres, Cliff McCurdy, and Willie McCool (the club's and Lubbock's representative at the U. S. Naval Academy).

Bobby Cunningham (Abernathy) continued his winning and record-shattering ways with a 27:47. He broke Tom Mayfield's record for the 40-49 division set last year by forty-seven seconds! Don Sanderson (Julia) blasted Don Webb's 50 & Over division standard with an excellent time of 31:41. And Mindee Mayfield (Lubbock) established a new girls 24 & under division mark with a fine 33:51.

RESULTS OF BALLOTTING

	Alternative No. 3	Alternative No. 2	Alternative No. 1	Vote Total
1.	3	28	12	
2.	2	6	1	
3.	6	2	1	
4.	4	2	1	
5.	5	1	0	

The ballots will be retained for a period of 3 months for the inspection of anyone who is interested. If you would like to audit the ballots, you have only to so indicate.

Frank Cleverger of Abilene, has very generously agreed to put the handicaps calculations on a computer at no cost to the club. This would be an acceptable way out of the dilemma regarding the handicaps.

Frank estimates that it could take as long as 3 months to get the program written and debugged and have all of the historical data entered. In the meantime, beginning with the September race, there will be no handicaps trophy awarded until the computer program is ready, since the vote was better than 2 to 1 in favor of dropping the handicaps. In the intervening time, between now and the time that the program is ready, none of your performances will be "lost." For example, if the program is ready in November, your performance in the August, September, and October races will be included in the handicaps calculation, even though there may not have been handicaps calculated for those races.

Also, if the program is written to include calculations for Improvement, most Effective Runner, etc., your performance in the intervening races will still count towards these awards and will not be "lost."

If, for some reason, the program does not become operational, we will have to reassess the situation at that time, but will definitely be guided by results of the balloting.

Jogger Hit by Train Near Cisco

EASTLAND (RNS) — A recent dental school graduate jogging along the Missouri-Pacific right-of-way suffered a broken leg Sunday when he was hit by a train three miles east of Cisco, spokesman for the Eastland County Sheriff's Office said.

Dr. Larry Harris, 30, of Houston was reported in satisfactory condition in E.L. Graham Memorial Hospital in Cisco following Monday morning surgery. He apparently was walking or running along the railroad tracks three miles east of Cisco shortly after midnight Sunday.

Harris and his wife had come to Cisco to escape Hurricane Allen.

Harris' wife told Deputy Sheriff Ben Sancilio she had driven her husband to a railroad crossing about halfway between

the track. Mackey said, "The injured jogger was found by the brakeman, and was unable to be moved from the inaccessible scene for nearly two hours. Swearington blew the whistle and attempted an emergency stop of the west bound freight train when he saw Harris."

Swearington told deputies Harris was in a kneeling position and appeared to have his legs tucked under him. The train's conductor struck Harris, the engineer said.

Swearington said it was a miracle that the train did not jump the track. He said he was shook up by the incident. The incident marked the third time recently that Swearington had seen someone

along the track, Mackey said. His reasons for running include health and a chance for friendly competition. Future goals include a sub 25 minute 5 mile and a sub 70 minute $\frac{1}{2}$ marathon.

Cliff has won the WTRC's Victor's Award (most opponents defeated) for the last three consecutive years, which is a record for this award. He also holds the record for the most opponents defeated in one year (829) which he established during 1978-79. Cliff finished first in competition for the "Most Effective Runner" Award this year, but was ineligible to receive it, since a runner is only allowed to receive one annual award per year. He also ran in 11 out of 12 races in 1979-80 and was the 1980 Funfest (Amarillo) Half-marathon Champion.

Cliff will be the author of all future Runner of the Month features.

"THE WINNERS CIRCLE"

Featured Runner of the Month
NAME: Cliff McCurdy AGE: 26 HEIGHT: 5' 9" WEIGHT: 130 LBS

OCCUPATION: Teacher, coach, sprinkler repairman

This month's featured runner is one of the top runners in the club. Despite being an "elite" runner, you would probably have to threaten him with 24 hours of uninterrupted Howard Cassell to get him to tell you anything about his accomplishments. Cliff is very modest and unassuming and is willing to help other runners with their problems, regardless of their performance level.

Cliff's past running experience has been at Coronado High School in Lubbock where his best times were 9.9 - 100 yd., 22.3 - 200 yd., and 50.0 - $\frac{1}{4}$ mile. He also ran track at George Fox College in Oregon where his best times were 1:55.3 - $\frac{1}{4}$ mile and 4:18.2 - 1 mile. Since college, Cliff has competed in WTRC events and in other West Texas road races. His best times during the last three years are: 1 mile - 4:32, 2 mile - 9:33, 3 mile - 14:33, 4 mile - 20:08, 5 mile - 25:20, 10,000 meters - 31:28, and 2 marathon - 71:53. His training schedule has no set pattern from November through April. He runs whatever he can get in, usually 30 to 60 miles per week. From May through October he aims at the following schedule, though he usually misses at least one day a week. Sunday - 6 miles in 39 minutes, Monday - 6 miles, Tuesday - 10 miles in 59 to 64 minutes, Wednesday - 6 miles, Thursday - 10 miles, Friday - 6 miles, Saturday - 10 miles with 15 minutes of speedwork. The speedwork consists of one of the following workouts at 5 minutes per mile pace: 15 one-minute runs, 7 two-minute runs, 5 three-minute runs, 4 four-minute runs, or 3 five-minute runs.

Given unlimited time and resources, Cliff would add a morning 6 mile run on Tuesday, Thursday, and Saturday. His reasons for running include health and a chance for friendly competition. Future goals include a sub 25 minute 5 mile and a sub 70 minute $\frac{1}{2}$ marathon.

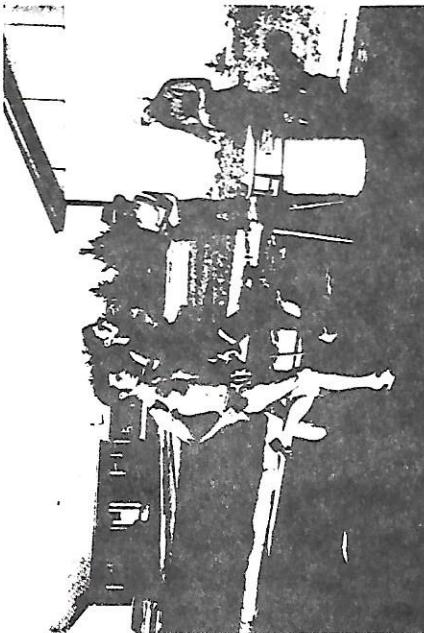

Cliff has won the WTRC's Victor's Award (most opponents defeated) for the last three consecutive years, which is a record for this award. He also holds the record for the most opponents defeated in one year (829) which he established during 1978-79. Cliff finished first in competition for the "Most Effective Runner" Award this year, but was ineligible to receive it, since a runner is only allowed to receive one annual award per year. He also ran in 11 out of 12 races in 1979-80 and was the 1980 Funfest (Amarillo) Half-marathon Champion.

Cliff will be the author of all future Runner of the Month features.

A lot of work went into compiling the annual Summary of Club Member's performances. It was done by human beings and therefore mistakes are possible. If a mistake was made in your case, please don't assume it was intentional. Last year we received several violently critical comments from runners who had had mistakes made in their listings. We are more than happy to list the correction for any mistakes that have been made. In fact, we welcome your informing us of mistakes since we want our records to be accurate. But Please, do not be critical unless you are willing to start doing it yourself.

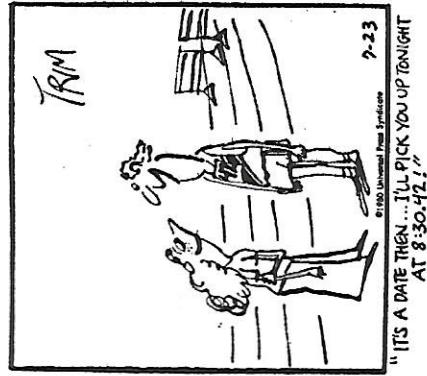

IN AT LAST ONE RACE THE YEAR 7/79 - 6/80
