Results Palo Duro Canyon Marathon and Four Mile Run

Saturday, January 12, 1980

Temperature: 41° at start, 60° at finish
Humidity: 49% at start, 36% at finish
Wind: From SSW at 15 MPH at start, from SSW at 15 MPH at finish

Mother Nature made atonement this year for last year's atrocity (which could have been confused with the McMurdo Sound Survival Run) for the absence of bikinis, this could have passed for a day in Fort Lauderdale. The beautiful weather attracted over 200 runners to the Southwest's most scenic course.

The overall winner in the marathon was Charles Belcher of Albuquerque, N.M. in 2:51:12. Probably the most outstanding performance in the marathon was turned in by Odette Bonnett of Albuquerque, New Mexico in the Ladies Division, as she won the division and set a new record that will take some doing to break with a time of 3:05:48. Now, this may not be the toughest course you'll ever run, but it certainly is not conducive to fast times. 3:05 would be a fine time in any division, and in fact, was only 14 minutes behind the winner.

The only other marathon record to fall was in the 50 & Over Division, as Tom Bowser's time of 3:28:14 knocked 11:11 off of the old standard.

Bruce Washburn of Tucumcari, N.M. defeated a thundering herd in the Four Mile, to take an easy win in 20:25. The record setting was done by the female runners as Mindee Mayfield and Sherrill Easterling set new standards in the Girls and Ladies (25-34) Divisions.

NEWS OF MEMBERS

It is our tragic duty to have to report the death of one of our long time members. Jasper Peoples passed away on Wednesday, January 23, 1980. He had been operated on for a brain tumor, and while the tumor was found to be benign, Jasper apparently died from the effects of the operation. Jasper was one of the top runners in the 40-49 age group and his untimely loss will be deeply felt by all of his friends. He was a tough competitor, but a very warm and sincere person who was liked by all who knew him. Anyone who wishes to send condolences to Johnnie Peoples can do so by mail at 411 Phillips Drive, Dumas, TX 79029, or by telephone at (806) 935-3527. A floral arrangement was sent on behalf of the entire club membership.

Alan Borger, of San Angelo, who was a club member for many years and who is familiar to many club members as a competitor and race director, recently underwent an operation to have a malignant tumor removed from the abdominal area. Alan is now recuperating nicely, and we would encourage his friends to get in touch with him and send their best wishes. Alan's home address is 2301 W. Ave. J, San Angelo, TX 76901. Telephone is (915) 949-8937. Alan is to be greatly admired for what he has accomplished. He has probably come closer to realizing his potential as a runner than anyone we know. We would be proud to have achieved some of the goals which he has. We hope it will not be long before he is back in competition again.

FIRST RUNNER MAKES 75 MILE CLUB

As a result of the Palo Duro Canyon Marathon, the 1979-80 75 Mile Club gained its first member. By completing the marathon, Ray Lambert raised his mileage total to 76 to become the only runner to achieve the 75 mile mark to date. There is a maximum total of 34 miles remaining in club races this year, therefore, to have a chance of reaching 75 miles by the end of June, a runner would have to have at least 41 miles now. Listed below are the runners with a mathematical chance of reaching the 75 mile mark.

	Miles to Date	Miles Needed
Tom Bowser	71	4
Joe Longoria	63	12
Ed Vernon	56	19
Howard Millsap	50	25
John Trompler	50	25
Warren Brown	48	27
Bobby Cunningham	43	32
George Jury	43	32
Cliff McCurdy	43	32
Sherill Easterling	41	34
