11th Annual Horseshoe Bend Canyon
 "Spring Frolic"
 Saturday, May 14, 1983

For the past few years, it seems as if the weather is the main topic at the May race. In 1981, wind and dust led to many orange faces. Last year, conditions were excellent. This year, with 25 mph winds from the north and 42° temperatures, at least there were no comments regarding the dust!!

Kip Leyba (Lubbock) repeated as winner of the 12 miler, although (due to the conditions) not in the manner in which he set a new course record last year. Cliff McCurdy (Canadian) toured the out and back 2 miler in first place while knocking some 30 seconds off last years' winning time. The other award winners are listed elsewhere in this newsletter.

It seems as if quite a few of the 12 milers ran the last half much faster than the first six miles. For instance, 43 minutes for the first half followed by six miles in 36 minutes were one members' splits.

Despite the conditions, many runners were not daunted and ran greatly improved times over last years' and deserve special mention:

- Lyn Bowie - Improved 21:19 over last year
- Robby Timberlake - 9:26 better than last year
- George Jury - 7:21 improvement (and still working!)
- Ed Dabrowski - 6:27 improvement(" " ")
- Rodney Hendrix - 3:41 improvement(" " ")

Many thanks to SUSAN MCCURDY for "personing" the aid station at mile 6! Also, thanks to race director Terry Barker.

See ya'll at the "Lope"!!!
