PLEASE NOTE:

We have a problem: the 15th Annual Firecracker 3 Mile and 10 Mile Race (the longest continuous road race in Texas) to be held in Brownfield on July 4th is without a race director.

In order to save this race, and the long standing tradition associated with it, we are asking for someone to volunteer as race director. In addition to the need for a race director, there is a need for seven other volunteers:

- 4 persons to help with sign-up and aid stations
- 2 persons to work finish line
- 1 person to call splits

If you enjoy the running club and the monthly races put on for you by volunteers, and if you want to see the tradition of the Brownfield July 4th Firecracker races continue, please call or write to volunteer. Do not assume that "someone else" will put on the race. Without volunteers the Brownfield races will not occur. Please call or write:
