Report to the Membership -1985

At a called meeting of the membership of the W. T.R.C. on November 23,1985 in the cafeteria of the Texas Instruments plant in Lubbock, the following were elected as officers for 1986:

President- David Jackson
Vice President- John Farrell (Newsletter)
Vice President- Joe Post (Race Coordination)
Secretary- Ron Key (Membership)
Treasurer- Butch Rogers (Bookkeeping)
Volunteering to serve on committees were:
Newsletter - Don Kephart (Race Calender),
James Livermore (Race Results), April Stein (Typist)
Dusty and Jimmie Kay Peters (Mailing).
Race Coordination - David Lard and John Masood.

We feel that this re-alignment and division of duties will make for a smoother and more manageable operation of the on-going monthly business of the W.T.R.C.

However, this is not a miracle cure for all our problems. The Race Coordinating Committee will not itself be responsible for staging club races. The R.C.C. will serve as an advisory board, gladly lending information, advice, support, and help to local organizations wishing to stage races and to W.T.R.C. members who are willing to help plan and produce regular club races. The thrust of the R. C.C. will be to promote the production of as many area races as there is interest and involvement within the membership.

Members willing to take part in the production of the 1986 race year should contact Joe Post at (806)747-8359 so that we may prepare a tentative schedule as soon as possible.

As many of you are aware, the management and operation of the W.T.R.C. for the past year has been left almost exclusively to David Jackson and myself, Joe Post. With varying degrees of success, we have tried to provide the membership with what we felt were its chief wants: 1.As many area races as possible and 2.A monthly newsletter to advertise and report on these races. In the last 10 months we have produced or assisted in the production of 20 area races and have published a monthly newsletter with an emphasis on the publicizing and promotion of these and other outside races which members might wish to attend. We have also tried to print the results of these races when available and to include other informative and inspirational materials when time, space and availability have allowed.

Because of the time and effort expended on the above we have postponed another necessary function of club management, the billing for and collection of membership dues. There were no dues notices sent for the year of 1985. Therefore, we have formulated the following dues schedule which we feel to be the most equitable overall to the total membership. Payment as per the following schedule will bring all members current through 1986, and all future dues for all members will fall due on January 1 of each year. New members joining

during the year will be billed for the balance of the year in which they join, based on a quarterly cycle to bring them due on Jan.1 of the next year.

1985-1986 Dues Schedule

If you were a member receiving club benefits(i.e. newsletter, reduced club race entry fees) prior to Jan. 1985, but paid no dues in 1985, a payment of \$12 (\$4 for 1985 and \$8 for 1986) will credit your membership through 12-31-86.

If you paid 1985 dues of Your 1986 dues(Due 1-1-86
\$8 in : for 1986) are :

Jan.-Mar. '85	\$8
Apr.-June '85	\$6
Jul.-Sept. '85	\$4
Oct.-Dec. '85	\$2

Dues not received by 2-1-86 will be considered as notification of cancellation of membership and all membership benefits will be discontinued as of that date.

If you have any questions concerning the above dues schedule or club re-alignment, please contact Joe Post at (806)747-8359(before 1 P.M. or after 9 P.M.) or write W.T. R.C., P.O. Box 2921, Lubbock, Tx. 79408.

Dues payments should be mailed to ;

1. April Stein 23:48 Congratulations are also in order for April's P.R. marathon at Dallas White Rock - a splendid time of 3 hours & 59 minutes!

Way to go April!!!

Thanks also to April for her work as Race Director for the 5K Christmas Classic. Thanks as well to all the runners who attended, many of whom also helped in managing other heats. We had a plus 75% participation rate in the Toys for Tots collection drive, and all those runners who contributed were extended heartfelt thanks upon the delivery of the toys to the Marine Reserve. Special thanks to Ron Key (Key Auto Supply), John Hartsfield (Hartsfield's Texaco), Tom Nisbett (The Alternative Food Company) for their generous donations of prizes for the post-race drawing.

Club Race Information

Due to various reasons (holiday commitments, lack of volunteers, the desire to try something different) there will be no W.T.R.C. club race for January, 1986. Instead, we will sponsor training runs on Saturday, Jan. 11 and Sunday, Jan. 12. The Saturday run will begin at 10 A.M. and the Sunday run will begin at 2 P.M. The runs will be held in Mackenzie Park, starting from a point near the East Broadway entrance, in the parking lot by the party house. We have a good, tough course laid out over 5 miles through the park. Each mile will be marked and you may run as many or few miles as you wish. We would like to see runners of all speeds and distances turn out so that everyone would have someone to run with. Come on out and get a good workout and meet some new running friends! If you need further info. call Joe Post at (806) 747-8359.

The established club race for February is the Cottonpatch 8 & 4 Mile Runs in Brownfield. In order to stage this event, we will need a race director and at least 10 volunteer workers (5 of whom could still run in the race). This is a very simple race to direct and requires no pre-race day trips to Brownfield. The director and volunteers need only to get to the race site two hours prior to race starting time to set things up. The course is a perfect square and simple to mark and manage. This is a perfect opportunity for those who wish to contribute their part to the W.T.R.C. with as little time expenditure as possible. We have a target date of Saturday, February 15, but this is not set in stone. To volunteer, call Joe Post 747-8359. Unless we have the necessary people in place for Brownfield or another site, there can be no February race.

Texas Instruments 10K Classic &

2 Mile Run - November 23, 1985

Beautiful weather conditions and a demanding course highlighted the 1st annual T.I. 10K & 2 Mile which turned out to be as well organized and staged race as we have enjoyed in some time, especially for a first time effort.

Those not attending missed pre-race music, an on-time start, an accurate course and splits, and speedy and accurate results and awards ceremony. Post race fruit and liquids, as well as great looking long sleeve T-shirts and an unbelievable number of medallions and trophies given capped a great day.

Thanks are due Steve Lyle, Race Director, W.T.R.C. members Tom Thomas and Ron Mahaffey, who also recorded his first sub-40 10K (Congrats., Ron), and all the T.I. employees, runners and non-runners alike, who contributed their time and efforts to produce a great race. Everyone should plan to attend next year's event and support this kind of involvement and effort to insure the continuance of this race and to promote others like it!
