PRESIDENT'S CORNER

Happy New Year to you all. That's what the West Texas Running Club has been experiencing for the past four months. Well, let's qualify that, the club did start another year in September with a brand new constitution and by-laws, allowing for a full slate of officers - an executive board and six directors each with specific areas of involvements. So we have seen a lot of changes, a lot of new ideas, in a new year, but has it all been happy, well some of the times have been happy, some have not. Maybe we need to stop and analyze this now. So it has been a year, (well four months), it has been new, (well not all together), and it has been happy some of the time but not all of the time. So let's get honest and say part time Happy almost New four months so far.

On a more serious note let me say that your WTRC has been undergoing a lot of changes. I believe for the better in the long term but somewhat struggling in the short term. Struggling over a newsletter for sure. Meanwhile in the past four months we have had several quality club races such as The Buffalo Wallow-Race, Director Don Kephert and The Red Line Cross Country with Mike Kelly race Director. Also we have assisted with a host of other races, lending advice, guidance and doing the finish line results. To name a few, The Jerry' Kids Labor Day Race at McKenzie State Park, The Texas Tech Homecoming Race, The Tecate Trot, The Schlotzskys Bun Run, The Tri Delta Run etc. A lot of people have put in a lot of time and effort to ensure the quality of these races. The list of helpers is too long to mention here so let me say a bio corporate thanks to them all.

All club members are welcome and encouraged to be at the board meetings which are held on the second Tuesday of the month at 3208 - 67th at six-thirty p.m. Please feel free to come and bring your ideas and input.

Hope to see you on the Long Run.

## EDITORIAL

The Staff of the WTRC Newsletter would also like to wish everyone a Happy New Year and let you know we shall make every effort to provide the official news and race results that concern our West Texas Club as well as other interesting sidelites each month.

It is our opinion that this newsletter should be a service to the Club and bring together the activities of the Club for the betterment of our WTRC races and functions.

We shall be open for suggestions from any of our members at any time and would also like to recruit you to help with the newsletter by giving us information you think would be interesting to our readers. This would include training tips, your race results, of which we would probably not have access, and any other newsworthy items.

Hopefully this will be a fruitful year for our Club and this newsletter will be an integral part in furthering the growth of the WTRC.

I was privileged to participate in the National Masters Half-Marathon recently in Oklahoma City. I was also privileged to meet Norm Green, age 55, of Wayne, Pennsylvania. Norm is an age group phenom who holds most of the 50 and over age group records. For example, Norm holds the M50-54 Half-Marathon record of 1:09:30. He also holds the M55-59 Half-Marathon record of 1:10:23. I thought times like these were reserved for Younger Superstars of our Running Community but Norm is certainly an exception to that rule.

After the Championship Race, Norm was guest speaker at the Awards Presentation and answered questions from the audience that were presented to him. I was particularly interested in learning that Norm recorded between 55-60 miles per week (all quality) with an average pace of 5:30 per mile. Wouldn't he be a lot of fun to train with?

He has won seven National Masters Championships and those seven represent races in which he was the

over all Masters Winner not just the age group winner. Another phenomenal accomplishment.

Norm knows what has caused him to be a phenomena for his age and boldly stated at the beginning of his speech that "God had blessed him with enormous aerobic and anaerobic capacity" and the talent and drive to exploit these God given attributes.

Each month we shall be profiling a local runner in our profile section of the newsletter. Beware, you may be the next profile. Our roaving reporter will search out and interview prospects to better familiarize us with our fellow runners. Look for this is coming newsletters.

There has been a proposed Gran Prix Event that would involve all of our Club Members for the 1988 Running Season.

The idea is that points would be awarded to each runner for their finishes in our designated Club Races to be totaled at the end of the year. There will also be a 66 Mile Club that would qualify all of those that ran a total of 66 miles or more in the designated Races for this year. Awards would be given to the top point winners as well as the people who reach the 66 mile plateau.

It is felt this plan would be an asset to the Club in promoting more participation by our members in our monthly Club Races and activities.

This program, if accepted, will be monitored and scored by Joe Post who has graciously volunteered his time and services.
