1993 RED RAIDER ROAD RACE

Race Director's Report

At nearly any hour of any day, lone runners can be spotted here and there on the Texas Tech campus. On only one morning of the year do they come by the hundreds to run the flat but twisting course of the Red Raider Road Race. The 12th edition of this Homecoming weekend event was run in unseasonably mild weather, given the mid-October race date and a starting time just after sunrise. The 5K and 10K races featured an identical number of finishers (124), and while the total number of runners was fewer than last year, this year's field was deep in talent.

In an exciting finish in which the first three finishers were separated by only 8 seconds, James Leser won the men's overall 5K title in 17:54. He lowered his own 45-49 age group record in the process. Frank Haist claimed second place in 17:59, just ahead of Lamesa's Frank Sumpter, Sr., whose time of 18:02 established a new 35-39 mark. 15-year-old Leslea Vardy of Wolfforth tied the existing 19-&-under age group record en route to winning the women's overall 5K title in 20:51. Michelle Benson's 21:07 earned her 2nd place and a new 25-29 age group record. Caylene Caddell lowered her own 40-44 age group record in claiming 3rd place overall with a time 21:13. Kay Schmidt of Alpine, who already owns the 30-34 age group record, broke the 5-year-old record in the 35-39 bracket with her 21:42. In the 10K, David Sumrell made sub-5:30 pace look effortless as he posted a sparkling 33:55 to claim the men's 10K crown. Jeffrey Jury lowered his personal best time for the distance by over a minute to claim 2nd place in 34:32, while Andy Stewart's 34:55 earned him 3rd place. Marjory Stewart brought her national-class speed to this year's 10K, and as a result, the overall women's course record that had stood for a decade was blown away. Blazing through 6.2 miles in sub-6 minute pace, she lowered the course record by over a minute with a time of 36:43. Karen Cooley of Amarillo ran a fine 42:15 to claim 2nd female overall, while 19-year-old Linda Escarcega of Lubbock finished third.

Last year's races featured the introduction of Master's awards for the top age-graded performances by a male and female runner over age 40 in each race. This year's event drew some of the region's finest master's runners. Gary Schmidt of Alpine, who together with wife Kay comprises one of the state's fastest road racing couples, returned to defend his 1992 Master's title. He sped through 5K in 19:14 to claim the title once again. Other notable male master's performances in the 5K were turned in by 63-year-old Don Sanderson of Tullia (21:11), lowering the 60+ record by over 3:40, Tom Nisbett (18:40) who now owns the 40-44 age group record, and of course, the overall winner, 47-year-old James Leser. In the women's 5K masters competition, Caylene Caddell of Lubbock also made it two titles in a row, running nearly a minute faster than a year ago. An additional outstanding female master's performance in the 5K was recorded by P.J. Mitchell (23:45), who lowered the 45-49 age group record by over two minutes. In the 10K, 57-year-old George Jury virtually matched his time of a year ago to repeat as male Master's champ (39:16). Another fine performance was posted by 50-year-old Ed Craighead of Dalhart (39:06). The only newcomer to the master's awards this year was Karen Roberts whose time of 51:55 earned the Amarillo runner the outstanding female master's award for the 10K.

This event was made possible through the generosity of three corporate sponsors: Cardinal's Sport Centers, First National Bank of West Texas, and Methodist Children's Hospital. Because of these sponsors, all proceeds from the race are donated to the Texas Tech Ex-Students Association/West Texas Running Club Scholarship Fund, given each year to a Tech student. Tammy Aleman of Lubbock is the 1993 recipient of this scholarship.

It takes many dedicated volunteers to put on a roadrace of this size, and this race once again brought out the very best. No one works harder on behalf of this race than George Jury. Immediately after the conclusion of each year's event, he begins the task of working on next year's race. He is joined wholeheartedly in this endeavor by each of the members of his family: Pat, Jeffrey, and Brad. This race would not exist without them. George helped secure corporate sponsors and prizes, obtained the race awards, mailed out entry forms and results, and along with Jeffrey set up the race course at 6 a.m. and swept it after the race. Pat Jury encoded all of the entrants into the computer system and spent countless hours at pre-race registration on Friday and

Saturday. David Preston served us extraordinarily well as Assistant Race Director and will direct next year's race. He brings unlimited enthusiasm and energy to the task; we can all look forward to a great race next year under David's guidance. David enlisted the help of his family--- he and his daughter helped Brad Jury prepare race packets, and Coleen Preston and LaDon Marshall were on hand at 6 a.m. to staff late registration and sell race shirts after the race. David distributed entry blanks and posters around town, handled the race t-shirts, and ran the Chronomix during the race. He also helped set up and later disassemble the finish line area. If you enjoyed the postrace prize drawing, you have P.J. Mitchell to thank. She worked tirelessly to secure a wide variety of prizes for the drawing, a popular feature of this race. She also spent long hours at late registration. We sincerely appreciate her efforts. Thanks also to the merchants and professionals who generously donated prizes for the drawing. Sincere thanks to James Bone who once again obtained the delicious postrace refreshments of fresh fruit. James was also the first volunteer on the scene in the darkness of 6 a.m. to help set up equipment. He was assisted by Dennis Bell, Larry Reno, Mike Kelley, David Preston, and James Leser. James Leser and Ernie Gandy promoted the race on Ernie's *South Plains AgriNews* show on KLBK-TV. Congratulations on a fine 5K, Ernie! David Skelton was one of the first volunteers to arrive on Saturday morning. David helped set up equipment, tables for fruit and water, and helped prepare the finish line. He also joined Dennis Bell and James Leser in assisting with the awards ceremony. Mike Greer returned as race announcer and once again did an outstanding job of keeping everyone informed and entertained. He was assisted by spotter Sandi Howard. Marin Hamilton has graciously passed up running the race in order to serve as bicycle race leader for several years now. Ron Key's work in timing the race and tabulating the results is deeply appreciated. Thanks to Ron and Pat Jury, we had accurate printed results soon after the races were concluded. Students from the TTUHSC Dept. of Communication Disorders completed three years of service to the Road Race, serving as water stop volunteers and corner marshals, thus contributing to the safety and comfort of each runner. Don Johnston of the Ex-Students Association once again designed the t-shirt and printed the entry forms, posters, and instruction sheets. Mike Kelley served as chute traffic director, insuring a smooth, orderly finish for runners in both races. The finish line was staffed by Russell Hartsfield, Bill & Marleta Mayfield, Andy Harm, Chryste Marex, and Tony, Josie, and Tammy Aleman. Bill Roger, Larry Reno, and Jim Pillow served as split timers out on the course. Friday registration was staffed by Pat Jury, P.J. Mitchell, Ken McEachern, Larry Byrd, Ron Key, Ronnie Nugent, Larry Reno, David Preston, and Jon Omdahl. Saturday's late registration was handled by Pat Jury, Ron Key, Coleen Preston, LaDon Marshall, Nan Osborne, Michelle Jones, Adam Andrews, and Larry Byrd. Scholarship recipient Tammy Aleman assisted with the postrace drawing. Special thanks to the staff at Ex-Students Association (Jim Douglass, Susan Bowen, Don Johnston) and Student Recreation Center (Tom Weis, PeeWee Roberson, Joe McLean) and to Grounds Maintenance (Dewey Shroyer) and Campus Police (Capt. Eddie Huckabee).

The Red Raider Road Race is an athletic competition for some, a celebration of homecoming spirit for others, and part of a quest for good health for all. While the homecoming football game affords us the opportunity to cheer for Tech as spectators, the race provides the chance for individuals of all ages to be participants in an athletic contest. Make it a personal goal to return to run the campus again next year. Thanks for coming!
