Red Raider Road Race Race Director's Report

When I arrived on the Texas Tech University campus for the Red Raider Road Race (RRRR) in the wee hours of October 10th, I had a feeling the morning would be interesting. A thick fog was blanketing the entire campus and made driving on campus a challenge. Knowing that there would soon be nearly 500 people running along those very streets, beside that very traffic, caused some anxious moments – especially amongst the TTU Campus Police and your humble Race Director. Once all concerns were discussed and addressed, the race was ready to go. With the cool temperatures and fine mist in the air **470 runners** (for both the 5k and 10k) were off. We saw some fast times with overall 10k winner Josephat Keino clocking 31:46 (5:07 pace) and overall female 10k winner Iris Rivero coming in at 44:19 (with a 7:08 pace). In the 5k we had a good turnout from our local high school cross country teams with representatives from Lubbock High, Estacado High, Tulia High, and Guthrie High schools. Our overall male 5k winner was Isaac Placencia finishing with 17:38 (5:41 pace) from Lubbock High and the overall female 5k winner was Kyra Sloan coming in with 20:10 (6:30 pace) from Guthrie High.

I had amazing volunteers and I wish to thank them here: David Haukos, Barb Haukos (for helping to fold over 500 t-shirts!), James Livermore, Kristi Dodson, Susan Tomlinson, George Jury, Shannon Anderson, Susan Tomlinson, Kelly Lange, Dee Dee Odorizzi, Barbara Murphy, Ron Lubowicz, Al Burrier, Jim Higgins, Brad Morton, Tony Aleman, Terry Dalton, Suzan Caudle, David Higgins, Edwin Young, Randy Holloway, George Jury, Debi Wilson, Mike Kelley, and the students from the National Student Speech, Language, and Hearing Association. I deeply appreciate everyone's help on this race.

NOTE: If you did not pick up your RRRR medal, they will be available at Dr. George Jury's veterinary office at 4808 50th St. until the Buffalo Wallow Race (Nov. 14th) – then the medals will be available at the race.

37th Running of the Buffalo Race Director Report

37 Years Running at the Buffalo Wallow

Clear, warm weather greeted runners for the 37th running of the Buffalo Wallow races at Buffalo Springs Lake. 150 pacers did the Half-Marathon and 80 the 2 Mile for record numbers. A newly measured course, thanks to George Jury and Randy Holloway, moved the start and finish to safer locations without losing any hills (Damn!).

David Boston took the 2 Mile in 9:56 along with Liz Ferris in 15:16. Benjamin Tanui blazed through the Half-Marathon for 1st overall in 1:17.15, a 5:57 pace, while Amanda Boston bested the females in 1:40.55.

Thanks to volunteers Tony Aleman, Shannon Anderson, Larry Bird, Suzan Caudle, Bill Felton, Sean Grass, Myriam Guardiola, David Higgins, Dan Hilario, Alexis-Joshua-Rose Hoeve, Randy Holloway, Gordon Jenkins, George Jury, Ron Lubowicz, PJ Mitchell, Tammy Moriearty, Brad Morton, Cindy Sorrenson, Ken Spain, Wayne Sullivan, and Edwin Young. Congratulations to all that participated and tackled the toughest half-marathon in Texas.

Mike Kelley, Race Director

BUFFALO WALLOW MEMORIES

I had just joined the WTRC in 1978 and ran my first race in March of 1979, so needless to say, the 1979 Buffalow Wallow 13 miler was my first at that distance. In reviewing my journal for that year, I was surprised to see how many current WTRC members also ran in one of the 2 races that November 10, 1979. As a contrast to the warm temperature 2009 version, the temperature at the start that day was 33 degrees and 2 hours later it was 28 degrees and snow had started during the race.

I don't know why the founders and race directors in those days measured only a 13 mile course instead of a half marathon, but after running that day, I along with Don Kephart who later became president of the club decided we wanted to know our half marathon times in the future, so we measured off that extra .10938 mile and in 1980 and 1981, we kept on running past the finish line to record our own half marathon times. The club officially changed to the half marathon distance in 1982. The overall winner of the 13 mile that day was a 40 year old, Tom Mayfield, who ran 1:15:45 which would convert to 1:16:22 at that 5:50 pace. In 1982, Bobby Cunningham ran 1:16:55 at age 42 to establish that M40-45 age group standard which still stands for the half marathon.

There were 49 finishers of the 13 mile that day compared to 144 in 2009, and 35 2 milers compared to 80 this year. Current club members who ran in those races in 1979 include, in the half, Bobby Cunningham, John Trompler, George Jury, Tom Bowser, Mike Greer, David Doyle and soon to be new member, John Clements. In the 2 mile were; Brent Tidwell, Ralph Wolf, Jimmie Key, and James Livermore.

Running the half marathon this year were James Livermore and John Clements and going the 2 mile was David Doyle and Ralph Wolf, while volunteering on the course was your's truly, George Jury.

Dear club members;

The challenge series has been recalculated and the status is reflected in the version in this issue. Please know that there very likely are some errors and if so please let me know all of the events and distances you have run in and I will get it corrected. Also, new members who I may have missed, if you want to be included in the Challenge Series, also give me the same data as above.

A NOTE FROM THE PRESIDENT

Last month's President's blurb about course time limits drew quite a bit of fire ... from both sides of the issue. The irony is that I did not even write the article, even though it did reflect the WTRC Board's consensus on the topic. And I am glad that many of you got drawn into the debate. That's one of the good signs of a healthy organization ... people really care about the stuff that makes us run together.

However, like most things in our public lives, it comes down to the question of balance ... where we must try to get the scale to tip in the direction of the greater good (or lesser evil). In this case we are caught between: (a) encouraging runners and wanna-be runners to test themselves at more demanding levels and to afford them the opportunity to grow deeper into our sport; and (b) staying inside the boundaries of course and runner safety and the reality that we rely wholly on a volunteer base to keep the course open and that volunteer burnout is always a threat.

Upon reviewing the results of recent Buffalo Wallow Half-Marathons and Turkey Trot 12Ks, the two events that would have such time limits, we found that only a very small number of entrants would have been affected. And in a couple of cases we learned that the people involved were taking a 13+ mile walk, never to have even broken into a gentle jog. Their "finishing time" meant nothing to them.

So the question we wrestled with in coming to our decision went something like this ... do we try to cater to a small group, some of whom possibly should not even be attempting the longer distance, or do we try to accommodate the much larger group of paid runners who are waiting for the results to be published and the awards ceremony to start, and also to be considerate of the unpaid volunteers who must remain on-the-job even longer to insure the continued safety of these few?

The polls are still open on this one and I encourage you to speak up and also to step forward and become a volunteer at one of our longer races.

SYOTR, Ron
