

Message from the Board:

Have you ever wondered if the PR you set in a specific distance race was the result of good running or the outcome of a poorly measured course? The only way to know for sure is to compete on a USATF Certified Course. Most of the WTRC courses are certified and the others are measured accurately. It is our goal to have all races certified except for the legacy courses that have some historical merit for remaining in their current layouts.

The requirements for course certification are stringent and the measurement and qualification process is quite time consuming. If you are interested in how we do it, you may want to look at the USA Track and Field website. Also, all the certified courses and maps are catalogued there. In short, we measure the course at the very shortest distance you can run. We generally measure about 6 inches off of curbs and take the tangents and straight lines that will get the runner to the finish in the shortest possible distance. The measurements also have a multiplication factor of 1.001 to insure that the courses are not short. When running a course with lots of turns, many runners tend to run a longer course than we measure. Careful attention to course layout while monitoring other runners and traffic can lead you to running the course that was measured and no more.

The USATF certifications remain in effect for 10 years and then they must go through the complete process again. Just this month, the Hot Dam and the Red Raider have been measured and submitted for recertification.

Happy Racing,

The WTRC Board

No Board Meeting for July!

Levelland Lope Race Director's Report

We had a great day for the Levelland Lope. The weather was a little cool and the course was wet in spots but it was good to be out and running in Levelland. Do wish to thank all the volunteers and the great job that was put on. Those doing the job were Terry Dalton, Jubilee' Cotton, Keagen McDermott, Mike and Candess Keane, David Higgins, Suzan Caudle, Jim Leggett, Al Gardner, Martin Montalvo, George Jury, Randy Holloway and a special thanks to my wife Sally and the South Plains College for opening up the rest rooms (Mathew Race).

See you next year for another great event
